PHILADELPHIA

WE beg to present you with this Catalogue which is the first in the long chain that we intend to issue. For years we have done more or less a local business and through expert service, untiring to please, we have built an extensive business, counting among our satisfied customers the best in our city and vicinity. Realizing the vast possibilities of increasing our business, we have decided to extend the area of our activities and it therefore gives us immeasurable satisfaction to count you among our friends whom we will by our extreme efforts endeavor to please.

In this Catalogue we have endeavored as clearly as possible to convey to you in condensed form the various articles that we make and wholesale. We are convinced that by going over it carefully you will find it to your advantage. You will find that our prices compare favorably or are much lower than our competitors, due to the fact, that we are in touch with every great move in the market, thus enabling us, through extensive and skillful buying, to take advantage of the lowest figures.

In conclusion, we heartily trust you will permit us to demonstrate the decisive advantage in buying from us, with the assurance that we will back up anything you buy.
